What is Dudley Lodge?

Dudley Lodge is a non-profit charity. We have three assessment centres, Dudley Lodge in Coventry, Bonner House in Bournville, Birmingham and Saxon House in Wolverhampton. This booklet is all about Dudley Lodge, Coventry.

Parents come to us through a referral, this referral will be made by the local authority. Following a successful referral, you will then come to us for an assessment.

We work with you

We aim to keep families together where possible and when it is safe and within the best interest of the child

An assessment is a way of learning about your parenting skills and ability to safely care for your child. Each family has different needs, but when we work with you our aim is to ensure we achieve the best outcome for your child.

When you move in

When you move into Dudley Lodge you'll attend a 'Placement Plan' which is a meeting to discuss your stay at Dudley Lodge. In this, we'll talk through what is expected of you and of us. This is also your chance to tell us how you want us to work with you and how we can meet your needs. Our assessments are a 2-way process, with our aim being to work alongside you.

This meeting will also be used to design your assessment plan, you, Dudley Lodge, and the social worker will all contribute in making sure the assessment is tailored to suit your needs.

We're here to help support and guide you

Once you've moved into Dudley Lodge, a family worker will spend time with you, completing an admissions pack which will help you learn more about Dudley Lodge. If at any time you have a question, always ask.
